GOVT OF MYSORE
3 JULY 1942
SECRETARIAT

Sir,

I have the honour to state that the right of utilising the grass and produce of fruit trees at "Jodithenginamara burial ground' in Pandi Mohalla was so far being sold in public auction every year the income therefrom ranging from Rs 10/- to Rs 15/- for the past five years The burial ground is situated in a fertile thope which if improved and planted with cocoanut and other Amarai producing plants, would yield a better income to the Municipality besides effecting improvements to the burial ground itself. In view of this the proposal to discontinue the system of leasing the right and to work it departmentally, was placed before the Managing Committee at its meeting held on 17th June, 1942 The Committee proposed the appointment of two watchmen one on Rs 8/- and the other on Rs 10/- per mensem, who will do the planting and also collect the grazing fee which may be levied at Re 0-8-0 per mensem per head of cattle in the first instance The Municipal Council approved of the Committee's proposal in their meeting held on 27th June, 1942 The extracts of the resolution are herewith enclosed

2 The cost on account of the watchmen establishment would be Rs 18/- per mensem or Rs 216/- per annum. By the levy of grazing fee at the proposed rate of Re 0-8-0 per head of cattle

mcl 11-42. 184/2

the income may be estimated at Rs 300/- per year which would be sufficient to cover the establishment charges, leaving a small income to the Municipality as at present But by the proposed improvement of the thope it is anticipated that the income will increase year by year

3 In these circumstances I request you kindly to obtain sanction of Government to the proposed Establishment and to the levy of the Grazing fee as approved by the Municipal Council

I have the honour to be,
Sir
Your most obedient servant
